RE: LEAP & HERON MANAGED SOLUTIONS

To Whom it May Concern:

In reference to the above, it is my pleasure to provide a testimonial for Heron Managed Solutions.

I am the Principal of Bruce Petrie and Co. and have had the pleasure of working with Heron Managed Solutions for quite some time. I find their dedication to customer service above that of other IT firms I have used in the past. I have always found that the team at Heron Managed Solutions take the time to understand my requirement and have consistently prescribed the right solution for my firm.

I have no hesitation in recommending Heron Managed Solutions as an IT support provider as their commitment and dedication often go above and beyond my expectations.

Yours faithfully,
Bruce Petrie & Co
